Declaration of Consent for Data Processing in the Course of the Application Process

First name and surname in block letters Date of birth

Address (Street, Post Code, Town) Country

I hereby agree that the personal data provided by me may be processed and stored in the course of my application for the following purposes (please tick as appropriate):

- Creation of an Employee Profile**
Processing of my personal data (for example: surname, first name, date of birth, nationality, vocational training, desired activity) as well as a list of my professional career and additional qualifications. This data is used to create an employee profile and is communicated to existing as well as potential new client companies for the purposes of presenting me to them.
- Anonymisation of Name in the Employee Profile**
I wish an anonymisation of my name in the form of the first letter of my first and last names respectively.
 yes no
- Evidence Application Documents**
My application documents and all personal data contained therein will be kept in evidence and may be used for future application procedures. The documents may be kept in evidence for a period of up to 6 months from the date of rejection (by the applicant or by Interjobs).
- Further Prolongation of Period of Evidence Application Documents**
I explicitly confirm to the storing of my application documents and my related personal data after the 6-month time-limit from the date of rejection.
I may withdraw my consent to this at any time.
- Relevant Personal Data for the Employment Contract**
I explicitly confirm to the processing and storing of contractually relevant data in the pre-contractual period during the application process. This is for the purpose of speeding up the employment process. This contractually relevant data is listed in part 2 of the application form.
- Communal Data Processing within the Steiner Group**
I explicitly confirm to the communal processing and storing of personal data between the affiliated companies of the Steiner Group. These companies are: Steiner Interjobs GmbH & Co. KG, Monteco Industriemontagen GmbH in A-4707 Schlüßlberg, Monteco Industriemontagen GmbH in D-83026 Rosenheim and Regiojobs GmbH in A-4707 Schlüßlberg. The processing of data takes place during the entire application and employment process.

By ticking the above, I explicitly agree to the processing and storing of my personal data. I may withdraw my consent to this at any time. Reuse after such withdrawal is not permitted.
As an affected person within the meaning of the General Data Protection Regulation, I also have other rights. Detailed information on the rights of data subjects, the assertion of those rights and the data protection regulations are available at www.interjobs.at/datenschutz or via e-mail to datenschutz@interjobs.at.
